TRANSLATION HEADSET

The following recommendations in this fact sheet will help you to a good use of your translator. Take a few moments to familiarize yourself with the translator.

Turn the translator by putting it on ON with the button **ON/OFF** located at the top. With the buttons **+** and **-** on the side of the translator, you select your language.

Connect the headphones on both sides of the translator and adjust the volume. Your translator does that during the show, the videos you'll see before are not translated.

RETURN OF THE TRANSLATOR : AFTER THE SHOW YOU BACK IN THE SAME PLACE UNDER THE BIG TENT.

This translator lent you by Association knowledge of the Meuse and you are responsible for his condition. The association Connaissance de Meuse can you ask an interest loss or degradation, amounting to € 20.

Do not hesitate to go to the shop under the big tent ; you will find numerous souvenirs and products.

If the show gave you satisfaction, thanks to the promotion around you. Alternatively, you can give us the information to journalists, operators, people... we will contact them. Thank you in advance.
